- Education/Training
- ADL/Lifeskills Training
- School Assessments
- Cognitive/Behaviour Assessments
- Housing Assessments
- Cognitive Demands Assessments
- Permanent Impairment Assessments

CONCUSSION CARE COMMUNITY CLINIC

A division of Block Building Therapies

Remember our new clinic

CONCUSSION CARE COMMUNITY CLINIC
WWW.CONCUSSION-CARE.CA

Concussion Care Community Clinic assists adults and children recover positively from a concussion or mild traumatic injury. We provide individualized care and our professional team will guide you through a step-by-step recovery protocol including education on symptoms such as sleep, fatigue, thinking, emotions, headaches, sensitivities and physical difficulties.

This is who we are - as always we are able and willing to work with you immediately!

Nicole Beauchesne
Occupational Therapist, Owner, Manager
nicole@blockbuilding.ca
Phone: 204-231-0785, Ext. 201
Cell: 204-793-5269

Nicole continues to run the practice with a full clinical caseload. Specialty areas are Neuro Rehabilitation such as Brain Injury for adults and children, Spinal Cord Injuries and Complex Mental and Physical Health Conditions. Ongoing work includes clinical work, teaching and research in the field of neuro-rehabilitation. She has a particular interest in assisting all clients with their return to school/work. Nicole also provides French Language services.

Referral forms for new assessments are available on our website at www.blockbuilding.ca

Ashlyn Bohonos
Occupational Therapist
ashlyn@blockbuilding.ca
Phone: 204-231-0785, Ext.102
Cell: 204-781-2803

Ashlyn is currently away on a Maternity Leave but will be back to full time by the end of October 2015. She is anxious to return to BBT and as you all know, loves her work with clients with brain injuries, as well as her long standing orthopedic clients. Ashlyn is well versed in the day to day operations of our client caseload!

Stephanie Lacasse
Occupational Therapist
stephanie@blockbuilding.ca
Phone: 204-231-0785, Ext. 103
Cell: 204-890-3451

After many years with BBT, Stephanie is working closely with Case Managers and families for our clients with brain injuries. Stephanie also has experience in mental health and ergonomics/worksites visits. She has a variety of client service areas including the Interlake area, Southwest Manitoba and Southeast Manitoba. Stephanie also provides French Language services and is always willing to take on new cases!

Gloria Dueck
Occupational Therapist
gloria@blockbuilding.ca
Phone: 204-231-0785, Ext. 100
Cell: 204-293-7252

Gloria provides Pediatric Occupational Therapy to children of all ages in a variety of settings throughout southern Manitoba. She enjoys the challenge of working with children that have a wide range of difficulties such as self-regulation/attention, fine motor, motor coordination, printing/handwriting, sensory, and visual perception. Gloria is a valued team member of the Block Building Therapies staff because of her experience, world travels and client centeredness.

April Mickelson
Occupational Therapist
april@blockbuilding.ca
Cell: 1-204-332-0260

April has been operating our Winkler/Morden Satellite office since 2011 and is also servicing areas including Brandon and the northern Parkland Region. Her expertise is in Personal Care and Equipment Assessments. April's experience includes cognitive evaluation, specialized seating, personal care assessments, safe discharge planning and equipment/device recommendation.

Alison Keith
Occupational Therapist
alison@blockbuilding.ca
Phone: 204-231-0785, Ext. 105
Cell: 204-781-5246

Alison is our newest team member and has experience in community therapy and caregiver training for specialized populations, long term care, technological and adaptive equipment, and community mental health care. Alison also has experience in pediatrics, in both an outpatient setting and within the school system.

Susanne Boyd
Physiotherapist
susanne@blockbuilding.ca
Cell: 204-471-7348

Susanne provides orthopedic and neurological assessments and treatment, permanent impairment assessments and personalized exercise programs. She delivers education to clients in order to maximize participation in their journey to recovery. Susanne is passionate in her role as a physiotherapist in promoting health, wellness and prevention strategies.

Cristabel Nett
Physiotherapist
cristabel.nett@med.umanitoba.ca
Cell: 204-787-1164

Cristabel has experience in a variety of areas and settings, including Neuro Rehabilitation, Geriatrics and Chronic Pain Management. She has developed interest and skill in working with people with multiple, complex problems and collaborating with a team.

Joanne van Munster
Office Manager
joanne@blockbuilding.ca
Phone: 204-231-0785, Ext. 200

Joanne is our Office Manager beginning her career with Block Building Therapies in 1999. Joanne brings a wealth of experience and professional expertise to her administrative role. As the office manager, she is relied upon to facilitate referrals and expedite them to the assigned therapists in an effective manner. Joanne is always available to answer your administrative questions or concerns.
