

CAREERS

Occupational Therapist – Mental Health

Part-time or Full-time (2 days/week – to full time)

Block Building Therapies is a private practice that provides assessment and rehabilitation services to people who have a variety of conditions including traumatic brain and spinal cord injuries, musculoskeletal injuries, mental health diagnoses and pediatric developmental delays. We service children and adults in Manitoba and Northwestern Ontario. We are dedicated to enhancing the lives of all clients, their families, as well as educators and employers.

Our therapists and staff are offered competitive compensation, as well as opportunities for paid continuing education and training. Therapists have the ability to work flexible hours and work either from home or from our clinic space, located in South Winnipeg. We also have a satellite office in the Morden/Winkler area.

POSITION OVERVIEW:

As an Occupational Therapist at Block Building Therapies you will be part of a clinical team that provides ***Mental Health Services*** across the healthcare continuum to support and promote recovery. Through collaboration and partnership with social services and community sectors, you will have a particular focus on promoting mental health and well-being in clients' homes, work or community. Our Occupational Therapists are trained in carrying out Reactivation and Exposure Therapy programs by providing education, coping strategies and remedial skills to be more independent and successful in daily activities. You would also have the opportunity to participate in assisting clients' overcome anxiety that affects their ability to drive in the community as part of our Driver Anxiety Program. Training and orientation would be paid and provided on the job through job shadowing and mentorship with other clinicians.

QUALIFICATIONS & SKILLS

- Master's degree or equivalent entry level requirement in Occupational Therapy.
- Active registration with the College of Occupational Therapists of Manitoba (COTM).
- Membership and insurance with CAOT.
- Experience and knowledge in providing Mental Health Services is mandatory.
- Hold a valid Driver's License and ability to travel within Manitoba.
- Possess excellent communication skills with an ability to multi-task and prioritize.
- Remain up to date on documentation/case notes both in paper file and on our secure online portal.
- Proficiency in Microsoft Office 365 application, including Outlook, Teams, etc.
- Demonstrate effective decision-making and problem-solving skills.
- Must demonstrate proficient organizational and time management skills.
- Knowledge and understanding of clinical reasoning skills and evidence-based practice.
