

## **CAREERS**

---

### ***Community based Rehabilitation Support Worker (RSW)***

#### ***Casual, Part-time or Full-time***

---

Block Building Therapies is a private practice that provides assessment and rehabilitation services to people who have a variety of conditions including traumatic brain and spinal cord injuries, musculoskeletal injuries, mental health diagnoses and pediatric developmental delays. We service children and adults in Manitoba and Northwestern Ontario. We are dedicated to enhancing the lives of all clients, their families, as well as educators and employers.

Our therapists and staff are offered competitive compensation, as well as opportunities for paid continuing education and training. Therapists have the ability to work flexible hours and work either from home or from our clinic space, located in South Winnipeg. We also have a satellite office in the Morden/Winkler area.

#### **POSITION OVERVIEW:**

Reporting to the supervising Occupational Therapist, the Rehabilitation Support Worker (RSW) will address a range of practical life skills and provide therapeutic intervention in the community. Duties include working with clients with physical disabilities, brain injuries and mental health disorders. Will provide Occupational Therapy, Physiotherapy and Speech Language Therapy rehab under the direction of a clinician. The RSW will provide regular feedback and complete appropriate documentation for Client sessions, be involved in interdisciplinary team conferences and work with a high level of independence. The RSW may be required to pick up and transport clients in their own personal vehicle. Rural travel may be required.

#### **QUALIFICATIONS & SKILLS**

- Genuine want to assist others to succeed and demonstrate empathy.
- Experience with direct care services is an asset.
- Related knowledge and/or training in the areas of rehabilitation, neurological injuries and mental health.
- Basic understanding of mood disorders and medical terminology.
- Knowledge of or ability to learn Microsoft office applications and email/Outlook/Microsoft 365.
- Participation in Block Building Therapies RSW Training Program.
- Demonstrated effective oral and written communication skills.
- Demonstrated effective decision making and problem-solving skills.
- Demonstrated organizational and time management skills.
- Demonstrated ability to build and maintain professional working relationships with clientele, staff and community shareholders.
- Demonstrated ability to work within ever changing and flexible environments.
- Demonstrated ability to respect confidentiality including paper, electronic formats and other mediums.
- Good work and attendance record.
