

CAREERS

Rehabilitation Support Worker (RSW) / Action Therapists – Forensic Environment Casual, Part-time or Full-time

Block Building Therapies is a private practice that provides assessment and rehabilitation services to people who have a variety of conditions including traumatic brain and spinal cord injuries, musculoskeletal injuries, mental health diagnoses and pediatric developmental delays. We service children and adults in Manitoba and Northwestern Ontario. We are dedicated to enhancing the lives of all clients, their families, as well as educators and employers.

Our therapists and staff are offered competitive compensation, as well as opportunities for paid continuing education and training. Therapists have the ability to work flexible hours and work either from home or from our clinic space, located in South Winnipeg. We also have a satellite office in the Morden/Winkler area.

POSITION OVERVIEW:

Reporting to the supervising Occupational Therapist working in the forensic environment, the Rehabilitation Support Worker (RSW) will address a range of practical life skills and provide therapeutic and risk management-oriented supports in the community. The RSW will provide regular feedback and complete appropriate documentation for Client sessions, be involved in interdisciplinary team conferences and work with a high level of independence. The RSW may be required to pick up and transport clients in their own personal vehicle.

QUALIFICATIONS & SKILLS

- Genuine want to assist others succeed, empathy, life experience in trauma related situations.
- Related knowledge and/or training in the areas of youth education, counselling, addictions, gangs, sexual abuse, sexual exploitation, self-harm and mental health awareness.
- Understanding of FASD, ODD, ADHD, PTSI and other trauma related diagnoses.
- Knowledge of or ability to learn Microsoft office applications and email/Outlook/Microsoft 365.
- Participation in Block Building Therapies RSW Training Program.
- Demonstrated effective oral and written communication skills.
- Demonstrated effective decision making, and problem-solving skills.
- Demonstrated organizational and time management skills.
- Demonstrated ability to build and maintain professional working relationships with clientele, staff and community shareholders.
- Demonstrated ability to work within ever changing and flexible environments.
- Given the cultural diversity of our clientele, the ability to respect and promote a culturally diverse population is required; knowledge of indigenous teachings and culture would be an asset.
- Demonstrated ability to meet the physical and mental demands of the job.
- Demonstrated ability to respect confidentiality including paper, electronic formats and other mediums.
- Good work and attendance record.
